

One of Miss Gold's first graders at Meadow Park went home and was asked the usual question, "What did you do today?" His answer, "Oh nothing—just research."

Mr. and Mrs. George Sunday, and their daughter Sherri, 17404 Glenburn, departed last week for Muskogee and Tulsa, Oklahoma, where they will visit relatives for three weeks.

In hopes that the ceremony will become a tradition, a 10 foot cedar tree, purchased by the Evelyn Carr Elementary PTA, was planted Friday, December 14, in front of the new cafeteria. Fernanda Simone, with shovel, scoops out dirt to help the school district gardener and a local nurseryman plant the "living Christmas tree." After the ceremony the students decorated the tree. Other front yard decorations include a manger scene with life-sized plywood figures and animals.—Press Photo

2nd Graders Visit Hospital

The children's ward of the General Harbor hospital received a surprise visit and Christmas party from the children of Mrs. Iris McKinley's second grade at Carl Steele School in Torrance today.

The second grade children gave the hospitalized children a decorated tree, presents, cookies, candy canes and a Nativity set.

The school children made the Nativity set themselves and also made yarn dolls for the hospitalized children.

Along with these gifts, each school child rather than exchanging a gift with a classmate, brought a present for a hospitalized child.

The second grade children took their gifts to the children's ward and sang Christmas carols to the sick children.
